Dear Ms. Rosen:

My mother and I really enjoyed your presentation at the IBWC Luncheon, at the Sterling Glen, in Lynbrook. You are a phenomenal speaker, in addition to being a savvy businesswoman. Your ideas and suggestions on obtaining more publicity for small businesses, such as ours, CELEBRACIONES, INC., were excellent.

We left the conference feeling very optimistic and energetic about some of the ideas you spoke about and plan to follow through.

You are a wonderful inspiration and role model for women everywhere. We hope we have the opportunity to hear you speak again or meet you at another business networking event in the future.

Much continued success in all of your work!

Sincerely,

Beverly Cuevas
