

Ultimate Networker - An Evening of Ultimate Connections - June 3, 2009 at the Albuquerque Little Theater.

Dear Lucy,

WOW, what an event that was. I'm still flying 3 or 4 feet off the ground as a result of all the great people I met. Thank you, Thank you, Thank you, for a wonderful and exciting presentation and a fantastic hands-on practice session. Talk about in vivo learning!

When's the next one?
